

Media alert

Nantes, 23 May 2023

Inetum keeps on track by organizing a new recruitment event in four cities in the western region of France

For three weeks, from 23 May to 8 June 2023, starting at 6 pm, Inetum, the European leader in digital services and solutions, will hold four recruitment events dedicated to digital professions in four cities in the western region of France: Nantes, Rennes, Niort, and Orléans. Employees, managers and future talent of the Group will meet to take part in a giant detective game in teams in the city centres. The participants will then have a chance to chat informally about the jobs and numerous career opportunities that Inetum has to offer in the Centre-Ouest region.

Inetum, the IT services company that opens up new career opportunities for digital experts

To back its strong growth and support its clients in the Centre-Ouest region, Inetum will be recruiting more than 450 people in 2023 in Nantes, Rennes, Brest, Caen, Lannion, Le Mans, Orléans, Tours, and Niort. With its dense territorial coverage (45 sites), proximity is an asset and a strong differentiator for Inetum and enables the company not only to address its clients' constantly evolving needs fast, but also to enable each of its 27,000 employees worldwide to live their own digital flow.

Inetum works on digitalization projects for companies and institutions, including web and application developments, infrastructures (systems and networks, live and in DevOps), and Going to the Cloud.

Inetum is looking for the following profiles:

- DevOps integrators and engineers
- Cloud engineers and architects
- Network/security engineers
- Linux and Microsoft infrastructure engineers
- Technical architects: Data, Cloud, infrastructure...
- Developers, designers, and testers
- Tech Lead Java/React or Angular
- Business Analyst
- Product Owner
- Agile Master
- Project managers

"Inetum Escape Tour" in Nantes, Rennes, Niort and Orléans from 23 May

Discover and explore your city accompanied by Inetum teams – an original way to share and discover the IT services companies' activities and job opportunities that it offers.

From 6.30 pm, our future talent will team up with our employees and members of management teams to play detective in the streets of the city centres. A challenge involving guesswork, thinking, and fun. At the end of it, the teams will all get together for drinks and continue talking about our projects and their day-to-day life, desires, prospects, and possible shared ambitions.

Join us on Tuesday, 23 May in Nantes, Thursday, 25 May in Rennes, Tuesday, 30 May in Niort, and Thursday, 8 June in Orléans to chat about your expertise and skills, and discover the numerous career opportunities and profiles that Inetum is looking for. Register by email to take part in the event: deviensinetumouest@inetum.com. **A confirmation of registration will be asked at the door.**

About Inetum, Positive digital flow:

Inetum is an agile IT services company that provides digital services and solutions, and a global group that helps companies and institutions to get the most out of digital flow. In a context of perpetual movement, where needs and usages are constantly being reinvented, the Inetum group is committed towards all these players to innovate, continue to adapt, and stay ahead. With its multi-expert profile, Inetum offers its clients a unique combination of proximity, a sectoral organisation, and solutions of industrial quality. Present in more than 26 countries, the Group has nearly 27,000 employees and generated revenues of EUR 2.4 billion in 2022.
