

Press Release

Madrid, 18 July 2023

Manuel García del Valle appointed as new General Manager of Inetum Iberia & LatAm

Inetum, a European leader in digital solutions and services, announces the appointment of Manuel García del Valle as ExCom member and the new general Manager of Iberia & LatAm. His appointment follows the retirement of Carlos Muñoz, the current general manager of the company in Iberia & Latam, who will accompany Manuel García del Valle, together with the Management Committee, in the transition period to ensure continuity.

Manuel García del Valle joins the Inetum Group with a solid track record of more than 25 years in leading companies in the sector such as Accenture and NTT Data, where he held senior positions in both Europe and Latin America. He joins the Executive leadership Team of the Inetum Group.

Manuel García del Valle graduated in Economics and Business Administration and has extensive experience in business development, organisational transformation and the management of multicultural teams in large organisations. His further qualifications include the IMD Global Leadership Program and a Master's degree in Quality Management for Service Companies from the CEU San Pablo University.

Jacques Pommeraud, Chairman and CEO of the Inetum Group, thanks Carlos Muñoz for "his commitment, leadership and positive legacy impact on the organisation. Under Carlos's guidance, we achieved important milestones such as the successful integration of numerous companies over the last 25 years, especially IECISA, which has enabled our group to become No. 3 in Spain's technology sector". and wishes a warm welcome to Manuel García del Valle: "With his experience and fresh perspectives, we look forward to growth and success under his leadership. The Management Committee will support him in continuing our client and employee initiatives. Together, we embrace an exciting future for our organization."

Manuel Garcia del Valle commentes: "I am delighted to join the Inetum Group Executive Committee leading the Iberia LatAm area, which occupies a strategic position within the Group, accounting for 40% of its revenues, with more than 10,000 employees. I am excited to be able to contribute to the development of our local footprint, address the new digital needs of our customers, and continue to build a great company together."

Carlos Munoz affirms: "Over the past 25 years, I have had the honour and pleasure of building one of the largest IT services companies in Iberia and LatAm. I would like to thank all the teams for their commitment and professionalism. I am convinced that we have a foundation of excellence to respond effectively to current and future challenges. I wish Manuel Garcia del Valle every success in his new role."

About Manuel García del Valle:

Manuel García del Valle is a member of the Executive Committee and CEO of Inetum in Iberia & Latam since mid-2023. Inetum is an IT services and digital solutions company and an international group of 27,000 employees in 27 countries, with a consolidated turnover of €2.4 billion in 2022. Prior to his appointment at Inetum, Manuel has held executive positions in both Europe and Latin America for more

than 20 years at the Japanese multinational NTT Data. Manuel, a graduate in Economics and Business Administration, began his career in strategic consulting and IT transformation at Accenture. Manuel García del Valle, 53, qualified in the IMD Global Leadership Program and also holds a Master's degree in Quality Management for Service Companies from CEU San Pablo University.

About Inetum, Positive digital flow:
