

Press Release

Saint-Ouen, France, 3rd of June 2024

Nomination

Yannick Waller, VP Inetum Solutions France

Inetum, Europe's leading provider of digital services and solutions, has appointed Yannick Waller as the new Managing Director of Inetum Solutions France. Yannick Waller's task will be to support the growth dynamic of the business unit dedicated to the implementation of strategic digital platforms (SAP, Salesforce, ServiceNow, Microsoft) in the GenAI, Low Code and Data Platform markets.

Trained as an engineer, Yannick WALLER, 51, has many years of experience in consulting firms and start-ups. *"I'm delighted to welcome Yannick WALLER as head of Inetum Solutions France. His task will be to support our very strong growth ambitions. Our customers want high value-added solutions to ensure their competitiveness. As a market leader, Inetum supports its customers in their digital transformation. Thanks to his significant experience, Yannick will help Inetum Solutions have a greater impact with its employees, partners and customers alike."* **Normann Hodara, CEO Inetum France.**

Cédric Fernandez, COO Inetum Solutions: *"I wish Yannick every success in his goal to support the growth of our partners at our customers' sites. With his team, Yannick will stand out for his efficiency and speed of execution: two qualities at the heart of Inetum's operational excellence"*.

Career path: From June 2020 to June 2022, Yannick Waller was Managing Director for Devoteam G Cloud, (responsible for developing Google-related activities). Yannick has held a number of different positions at Devoteam, including Managing Director specializing in SaaS, IaaS and PaaS, plus the responsibility for developing partnerships with major publishers such as Google, ServiceNow and Salesforce. Between 2000 and 2014, Yannick held several positions at Altran, including Business Manager and Managing Director. Yannick WALLER has a dual educational background. He graduated from ESTP Caen in 1996 and from EDHEC Business School in Lille with an MBA in 1997.
