Inetum signs a partnership agreement with PTC and becomes a supplier of its solutions

Inetum, a leader in digital services and solutions, announces its new partnership with PTC, a global provider of digital solutions. By becoming an authorized PTC supplier, Inetum reinforces its commitment to the digital transformation of its customers.

PTC's portfolio of solutions covers a wide range of areas, including computer-aided design (CAD), product lifecycle management (PLM), application lifecycle management (ALM), service lifecycle management (SLM), the Internet of Things (IoT), and augmented reality (AR) - In the form of SaaS, cloud or on-premise software solutions, enabling companies to optimize their processes and strengthen their competitiveness in the global marketplace.

As an authorized PTC distributor, Inetum confirms its commitment to providing its customers with the best possible support, to ensure they achieve their objectives quickly and easily.

"*In order to support our growth in the development of critical products in the sectors of Aerospace/Medical/Railway/Nuclear, Inetum advised us and delivered the tools we needed to meet the requirements of these sectors. Their expertise and professionalism enabled us to get up and running very quickly, and to see productivity gains just as quickly*." **Grégory Labrouche, CEO Inovelec Ciele.**

"*Lyon's leading engineering schools like Centrale and PolyTech need high-performance digital tools to train students in Design and Industry 4.0. Thanks to their proximity to PTC, Inetum was able to respond in record time and provide them with the licenses they needed to run their training courses smoothly*." **Christine Billon-Lanfray, Pôle S.mart RAO, INSA Lyon.**

Yannick Waller, General Manager of Inetum Solutions*: "We are very proud to be able to market these scalable cloud-based digital engineering solutions. This partnership is part of an active policy of implementing solutions for our customers. Each of these will enable them to gain in impact and complete the digital transformation they are engaged in".*

Carmelo Cinardi, VP – Head of Channel Sales EMEAI - PTC*: "We are delighted with this new partnership with Inetum. Our range of solutions, and in particular our ALM strategy, complements their expertise in systems engineering and their skills in the automotive, aerospace and defense markets. This partnership is the concrete embodiment of a shared vision, and the result of an already fruitful collaboration on several projects involving our Codebeamer solution."*
