Inetum and Workday join forces to innovate and enrich the HR and Finance solutions ecosystem in France

- **Inetum, European leader in digital services and solutions, announces the signature of a partnership with Workday, the benchmark platform for employee and financial management.**
- **Inetum is positioned as a major new integrator and vendor partner for Workday in France.**
- **The agreement opens up new development prospects for both companies.**

This partnership is part of Workday's expansion strategy in Europe. A key player for companies preparing for the future of work, Workday aims to help organizations turn challenges into opportunities by offering innovative solutions based on the artificial intelligence platform, Illuminate. This facilitates the day-to-day work of employees, HR and finance departments by transforming business processes in depth.

By joining the Workday Extend program, Inetum will develop innovative solutions (for HR and finance) available on the Workday marketplace. Inetum's customers will benefit from enriched functionalities tailored to their specific needs.

As a company dedicated to digital solutions, Inetum extends the scope of its expertise to customers of all sizes and sectors, from large accounts to ETIs, particularly in the Energy & Utilities, Retail, Finance and Industry sectors. The agreement also opens up the public and semi-public sector market to Workday, from institutions and ministerial departments to local authorities and the medical sector. Workday will also benefit from Inetum's proximity to its customers on a local scale to develop its visibility in the French regions.

Normann Hodara, CEO of Inetum France: "We are delighted to be partnering with such an innovative software publisher as Workday, which has enriched our catalog of offerings. We are convinced that their solutions will meet the requirements of our customers who are looking for transformative solutions to modernize their HR and Finance Information Systems, while providing them with a structural digital impact."

Hubert Cotté, Managing Director of Workday France: "Inetum's wide-ranging profile, expertise in HR and finance solutions, and territorial coverage make it a strategic partner for Workday in France. I am convinced that Inetum will accompany companies in their transformation, providing them with sustainable support in the face of rapid changes in our environment."
