### **Mário Oliveira succeeds Francisco Febrero as the new head of Global Business Line SAP**

*Francisco Febrero for personal reasons is leaving the Inetum Group where he held the positions of Corporate VP & CEO SAP Business Line and Global Manager of Inetum's activities in Portugal. As of 1 January 2023, Mário Oliveira will take over from him as the new head of SAP GBL (Inetum Holding Business Solutions Portugal).*

"I have had the pleasure of leading a global position in one of the largest IT services companies in Europe. I am convinced that we have a foundation of excellence to respond effectively to current and future challenges and to contribute actively, innovatively and pragmatically to the growth of the Group worldwide. I wish Mário Oliveira every success in his new role," says Francisco Febrero.

Vincent Rouaix, Chairman and CEO of the Inetum Group, affirms: "I would like to thank Francisco Febrero for his commitment since the acquisition in November 2016 of ROFF, now Inetum Holding Business Solutions Portugal, of which Francisco was one of the founders. Based in Portugal, our GBL SAP has exported its know-how to international customers, mainly in France, Switzerland, Northern Europe, Africa and Latin America. I wish Francisco all the best for his future."

"I am proud to be able to lead Inetum's growth ambitions in Portugal and the Group's business in its alliance on SAP solutions. My experience within the Group gives me the desire and the means to continue to drive our strategic plan globally on this expertise and locally on all our activities in Portugal.
